

First LeBaron Open Golf Outing 2008 held at Deerfield Country Club

Record breaking temperatures nearing the 90 degree mark didn't impair our golfers to come in with scores of 59, 60, & 62 respectively to take first, second, and third place among the 28 players.

First place winners were Captain Bill Skerry and team members Ken Koppenhoefer, George Skerry & Joe Skerry

Not far behind were our 2nd place finishers, Captain Janet Shugart with team members Ralph Trollinger, Ron Boyer, and Kathy Boyer

The Ladies of LeBaron were well represented and did quite well to contributing to the great shots of the day.

Getting ready on the first tee were Phil Rende, Sam Bowling, Art Gutfriend, & Leatrice Messer all pictured here.

Coming in the money were third place winners Captain Dee Johnson with team mates Ciro DeNettis, John Collins, and Jim Sweeney.

For some reason Charlie Dlugos' name appeared on the Women's Longest Drive record but since no protest was filed, he was awarded two very pretty "pink" balls and a "pink" tee and ball marker.

Legally winning the Women's Longest Drive contest was Janie Bowling

"Close but no cigar" for the men in the longest drive contest and in the closest to the pin contest. Guess the heat got to them and they couldn't hit in the fairway or get on the green so no winners were recorded.

But, our Women's Closest to the Pin Contest Winner was Janet Shugart

It wasn't long before some of the golfers made their way to Happy Hour at DCC for a cool one.

But the best Happy Hour was at the 19th hole at the LeBaron clubhouse where food, drink, & good conversation was abundant.

Before long guest entertainer "Peter Parker Live" sang songs for us.

Another guest appearance was made by none other than Elvis himself

Before long many were lined up to buy raffle tickets from John Collins

Raffle winners were:

1st Place taking home a gift certificate for a round of golf for 4 was Phil Rende.

2nd Place went to Monica Skerry with a handsome sum of cash.

3rd Place drawing was awarded to David Rodman who also shared in the cash prize.

4th Place went to Joe Skerry who won a large bottle of wine.

Storyteller, David Rodman shared some tales & jokes with the group.

We also had another guest of the LeBaron who performed for us. Pictured next is Chris Cromwell, brother of LeBaron resident Rick Cromwell, who sang a ballad written by him.

We hope that the LeBaron Open can become an annual tradition for years to come. Sponsors of the event and guests at LeBaron, Dee Johnson & Al Bruhn, thank all the participants of this fun event.
